

JEOL NMR Technical Symposium

09th September from 10:00 to 11:30

53rd National Congress on Magnetic Resonance
University of Campania "Luigi Vanvitelli" - Dept. DiSTABiF

V: Università
degli Studi
della Campania
Luigi Vanvitelli

Dipartimento di Scienze e Tecnologie
Ambientali Biologiche e
Farmaceutiche

Metabolomic Insights into Bipolar Disorder through NMR Analysis of Urine and Whole Blood

Dr. Angelo Gallo
Università di Torino - Dip. Chimica

An Integrated Workflow for Structural Elucidation of Powder Samples

Dr.ssa Chiara Sabena
Università di Torino - Dip. Chimica

Unleashing the power of JASON: From data to insights

Dr. Marshall Smith
NMR Applications Specialist - JEOL (UK) Ltd.
